Amount: \$ 14.00
Jackpot: \$ 190.00 (not won)
Next Jackpot: \$ 195.00

Harker Heights Kiwanis Club Meeting 02-20-18

Speaker: Pearl & Monty Fellingham
Topic: Kiwanis “Citizen of the Year” Program for local elementary and middle school students. It follows the 4th Object of Kiwanis: *To develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship.* The Belton club started with 1 elementary school to recognize (1) 5th grade student for his/her attitude of selfless service at an early age. From there all Belton elementary and middle schools wanted to participate. A criteria for the award is presented to the school principal and staff to choose 1 student and to indicate why that student is chosen. The award is presented at the school’s end of the year awards ceremony. The recipients name is kept a secret so it will be a surprise for the student and their family. The pride the recipient, their family and school feel when it is presented is priceless. Our club is going to pursue this program to honor the late Robert M Shoemaker. Education and good citizenship was his main focus in life.

Kiwanis Motto

Kiwanis is a global organization of volunteers dedicated to improving the world one child and one community at a time

- Club Business:**
Prayer: Darrel Charlton
Pledges: James Smith
Song: Dick Dinwiddie

Prayers: Allie Krebs
Lunch: Chick-fil-A sandwiches, nuggets, fruit salad & tea
Guests: None
Easter Sunrise Service – April 1, 2018

Birthdays: Norm Dunbar 2-19
Allie Krebs 2-20

Brag: Jos Portmann – bragged on granddaughter Hanna who plays basketball at UMHB. She has been chosen Division player of the week 3 times. She has posted the highest points for the conference and chosen to be part of the NCAA Division basketball team to play in Brazil this summer. She has also been nominated for All American, all while maintaining a 3.7 GPA. Esabell Zellmar gave an update on her granddaughter Nona. She is changing to Education for her major to become a teacher.

Pancake Supper – Darrel Charlton thanked all those who cooked bacon, flipped pancakes, washed dishes, served guests and all the other jobs including all our Key Club and Builders Club members who worked all evening. We couldn't have done it without them.

Two fundraisers coming up are: Chipotle on Thur. Feb 22nd for Leukemia & Lymphoma Society and Freddy's on March

2nd. Both sponsored by the Builders Club

Welcome to new member Bobby Whitson.

Scholarship Awards – we are considering changing to an evening meeting so more parents can attend with their students.

Key Club Installation of Officers was held last Thursday at the high school music room. Students volunteered to bring their instruments and play at the pancake supper. They were awesome!

FYI: Oval Office Education
Submitted by: Jos Portmann

The **Oval Office** is the official office of the [President of the United States](#). It is located in the [West Wing](#) of the [White House](#). The room features three large south-facing windows behind the president's desk, and a fireplace at the north end. It has four doors: the east door opens to the [Rose Garden](#); the west door leads to a [private study](#) and dining room; the northwest door opens onto the main corridor of the [West Wing](#); and the northeast door opens to the office of the president's secretary. Presidents generally decorate the office to suit their personal taste, choosing new furniture, new drapery, and designing their own oval-shaped carpet to take up most of the floor. Artwork is selected from the White House's own collection, or borrowed from museums for the president's term in office. The [West Wing](#) was the idea of President [Theodore Roosevelt](#), brought about by his wife's opinion that the second floor of the White House, then shared between bedrooms and offices, should be just a domestic space. The one-story Executive Office Building was intended to be a temporary structure, for use until a permanent building was erected either on that site or elsewhere. Building it to the west of the White House allowed the removal of a vast, dilapidated set of pre-[Civil War](#) greenhouses that had been constructed by President [James Buchanan](#). Roosevelt moved the offices of the [executive branch](#) to the newly constructed wing in 1902. His workspace was a two-room suite of Executive Office and Cabinet Room, located just west of the present [Cabinet Room](#). The furniture, including the [president's desk](#), was designed by architect [Charles Follen McKim](#) and executed by [A. H. Davenport and Company](#), of Boston
