July 4, Sept 3, Oct 8, Nov 11

**Grand  
Pickleball  
Club****FYI: Sports Education****Submitted by: Jos Portmann**

**Pickleball** is a paddle sport (similar to a [racquet sport](#)) that combines elements of [badminton](#), [tennis](#), and [table tennis](#). Two or four players use solid paddles made of wood or composite materials to hit a perforated polymer ball, similar to a [Wiffle Ball](#), over a net. The sport shares features of other racquet sports, the dimensions and layout of a badminton court, and a net and rules somewhat similar to tennis, with several modifications. Pickleball was invented in the mid 1960s as a children's backyard pastime but has become one of America's most popular growing sports among all ages. The pickleball court is similar to a doubles badminton court. The actual size of the court is 20×44 feet for both doubles and singles. The net is hung at 36 inches on the ends, and 34 inches at center. The court is striped like a tennis court, with no alleys; but the outer courts, and not the inner courts, are divided in half by service lines. The inner courts are non-volley zones and extend 7 feet from the net on either side. (Source: Wikipedia). The Harker Heights Recreation Center provides seniors pickleball play Mondays, Tuesdays, Thursdays and Fridays from 9 AM to 1 PM (1:30 on Thursdays).
